## VILLA EMILE EVENT CENTER

The Villa Emile Event Center is an exclusive and expansive outdoor area with over 5,000 square feet of event space. Originally intended to be the family's vegetable garden, it has since been transformed into a hardscape event area. The Center features a large stage, a dance floor, and flowerbeds, in addition to breathtaking views of the vineyards and hillsides. A beautiful white canopy covers the main event area to provide both shade and elegant lighting for your event. This is the perfect venue for a wide range of events with between 30 and 300 guests.

## HERITAGE ROOM

The Heritage Room is an indoor event area perfect for smaller gatherings. It was originally built as a barn in the 1930's, and

its design creates a quaint, rustic, and charming venue for your special event. This versatile room serves as a fantastic space for dining, meetings, or a wide variety of team-building activities.

## TASTING ROOM

Our Tasting Room is open daily from 10 a.m. to 5 p.m. and offers Private Tasting sessions for groups. These sessions include a guided tour of the property, an overview of the wine making process, and a sampling of select Guglielmo wines. A Tasting Tour is often the ideal excursion for a small Team-Building activity or for relaxing after your meetings.

## WHAT OUR CLIENTS ARE SAYING....

*"I highly recommend Guglielmo Winery for any, unique Corporate Off-Site event. We recently held our Management Off-Site Meeting in one of their Corporate Event Rooms and absolutely everything about it exceeded our expectations! And at the end of the day, the team gathered in the Tasting Room for a little more team-building! We look forward to returning again and again."*  
~ Bev Stenehjem, Director of Human Resources, Mission Bell Manufacturing, Inc.

*"We are having great success with events at Guglielmo Winery. The enhanced Event area and the helpfulness of the Event staff have been outstanding. So much so, that we continue to book our major events at Guglielmo Winery!"*
